Presents

## 2005 Spring Conference

# THE NEXT GENERATION: TREKKING THROUGH TODAY TO GET TO THE FUTURE

April 14<sup>th</sup> & 15<sup>th</sup>, 2005

Sheraton Lansing Hotel

925 South Creyts Road

Lansing, MI 48917

The Michigan Society for Infection Control

724 Lawson

Lake Orion, MI 48362

CONTINUING EDUCATION CREDITS

## PROGRAM OVERVIEW

The spring conference will review the traditional roles of infection control as well as the emerging roles as we embark on the trek to the next generation. Improved technology and advances in health care, as well as the public's desire and need for valid and reliable information regarding the quality of health care is moving us forward at warp speed. There are new standards, guidelines, and recommendations from regulatory agencies and governing bodies along with the public's expectations and demands for quality health care.

## OVERALL OBJECTIVES

**At the completion of this conference, the participant will be able to:**

1. List the major changes in the JCAHO infection control standards for their practice setting.
2. Describe the current reporting statutes of health care acquired infections in Michigan and the United States.
3. List three diseases transmitted by vectors and how they can be prevented.
4. Identify two strategies for control and prevention of infections caused by multidrug organisms.
5. Describe the legal requirements of disease reporting.
6. Identify methods to prevent healthcare associated pneumonia.
7. Describe CMS expectations for infection control.
8. Explain the Michigan's Keystone Initiative and the effect it is having on preventing infections.
9. List the necessary components of a Poster presentation for professional groups.
10. Identify the steps of wound healing.

## Continuing Education Credits

Nursing Contact Hours will be provided. Application has been made for continuing education credits from the Nursing Home Administrator's Board. Participants must attend the entire two day conference to obtain contact hours. Partial credit cannot be provided.

## REGISTRATION RATES, DEADLINE DATE & CANCELLATION POLICY

Advance registration must be made by March 31, 2005. Registrations received after that date are treated as walk-in registrations, and are subject to a late registration fee. No confirmation notices will be sent upon receiving the registration form.

A 50% refund will be given when cancellation occurs by March 31, 2005. No refunds will be given after that date. Walk-in registration fees are \$195.00 members and \$235.00 non-members.

MSIC is unable to extend credit for registration due to late processing of checks by the institution. Payment must be made upon registration. Registration fee includes conference packet, breaks, continental breakfast and luncheon both days.

## HOTEL REGISTRATION

A block of rooms has been reserved at the Sheraton Lansing Hotel for your lodging needs. Room reservations must be made by March 14, 2005 to receive the group rate of \$93.00 per night for Single or Double occupancy. When calling the hotel (517)323-7100 mention MSIC to receive this reduced rate. The process is the same as far as the participant contacting the hotel directly and indicating they are with MSIC. After this date, rooms may not be available.

The Sheraton Lansing Hotel is located off Exit 1 of I-496 in Lansing, Michigan. Take I-496 to Exit 1. Go north to the first light (just beyond the bank) and turn right. The hotel is on the right side of the road.

## QUESTIONS?

If you have any questions, please contact the MSIC Administrative Coordinator at (248) 693-3474 or visit our website at [www.msic-online.org](http://www.msic-online.org).

*Please dress in layers as meeting room temperatures are often difficult to regulate.*
